Two Words in One

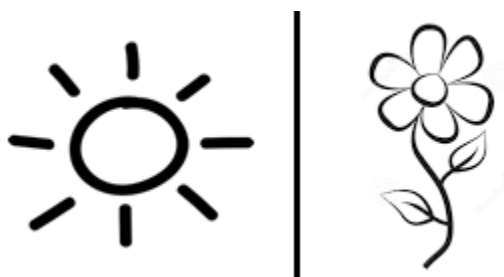

Level: Any

Timing: 5 - 15 mins

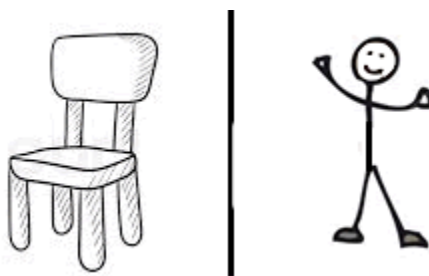

Resources: Whiteboard

Language: Compound nouns

Plan: Say nothing! Draw the following on the board:

The trainees should get the answer **SUNFLOWER**. Now try another:

The trainees should get the answer **CHAIRMAN**. The name of the game is 'Two Words in One' – for obvious reasons.

Split the group into two teams, A and B. Team A should start. One person from Team A comes to the front. You show the word you would like to be drawn. They have 1 minute to draw the word for their team. Do not allow writing, actions or sound effects – only pictures. It is very important that Team B say nothing at this stage, even if they know the answer. After 1 minute, if Team A can't guess the word, you can pass it to Team B for a bonus point.

It's now Team B's turn. Keep going until everyone has had a go at drawing.
